Karl A. Nath, MBChB, Editor-in-Chief of Mayo Clinic Proceedings, discusses the Editor’s Choice and Highlights articles appearing in the March 2021 issue.

These include:

“Outcomes of COVID-19 With the Mayo Clinic Model of Care and Research,”
by Dr John C. O’Horo and colleagues;

“Multi-Level, Evidence-Based Strategies to Address COVID-19 Vaccination Hesitancy in Clinical Settings,”
by Dr Lila J. Finney-Rutten and colleagues; and

“Clinical Management of Hyperkalemia,” by Dr Bill F. Palmer and colleagues.
